

Good news! Thanks to your support, we were able to buy the Venerable Subhuti a humanitarian vehicle. We are just a few short steps away from delivering this bus!

After some serious car shopping, test driving, and careful negotiations to ensure the best deal. Cealo was able to buy this bus in mid-February 2011.

As of mid-March, the bus is in storage at our supporter's place. He is taking care of the bus until the Sri Lanka tax is paid. Cealo continues his negotiations to pay for the car tax so we can deliver the bus as soon as possible.

Thank you so much for all the previous support for this project from everybody and thank you for your understanding as we complete the project. We humbly request your continued support as we continue the fund raising until the bus is delivered.
